

Dear Traveler,

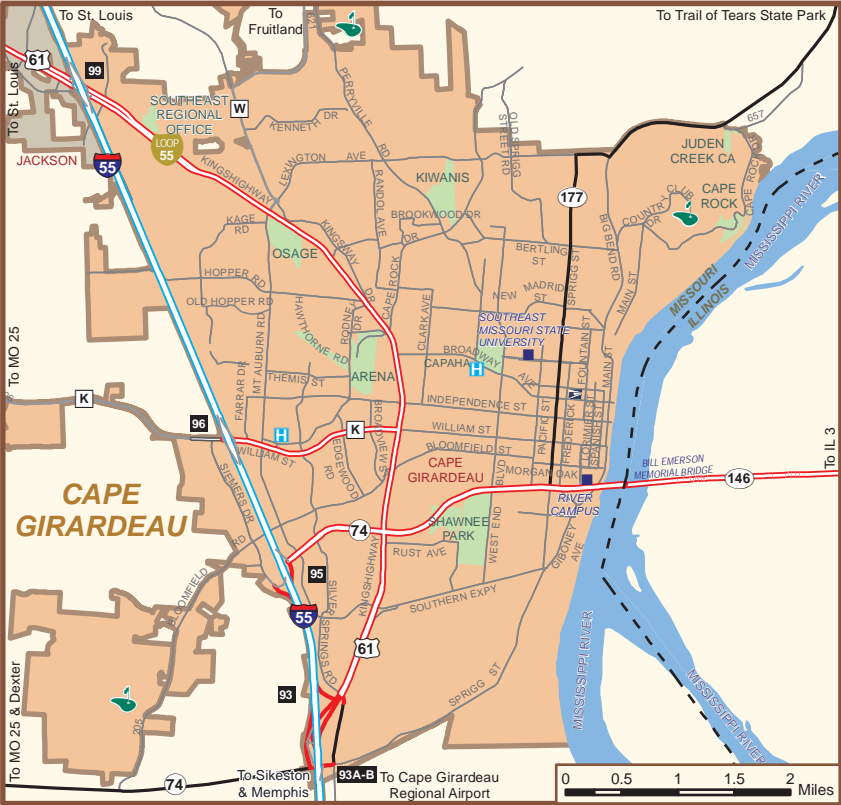

It is an honor to serve as the 57th Governor of the Great State of Missouri during its 200th birthday celebration. From the Gateway Arch and the Liberty Memorial to the homes of Walt Disney, Mark Twain, and the Ozark Mountains, Missouri has a rich history that is reflected in the beauty of its rivers, lakes, forests, cities, and towns.

Missouri's transportation system is the 7th largest in the country with nearly 34,000 miles of highways and more than 10,000 bridges all designed, maintained, and operated by the Missouri Department of Transportation to make your visit to our state as enjoyable and safe as possible. You can help make the journey even safer by urging your passengers to buckle up and putting your phone down while you drive. Don't let yourself be distracted from the scenic wonders of our beautiful state.

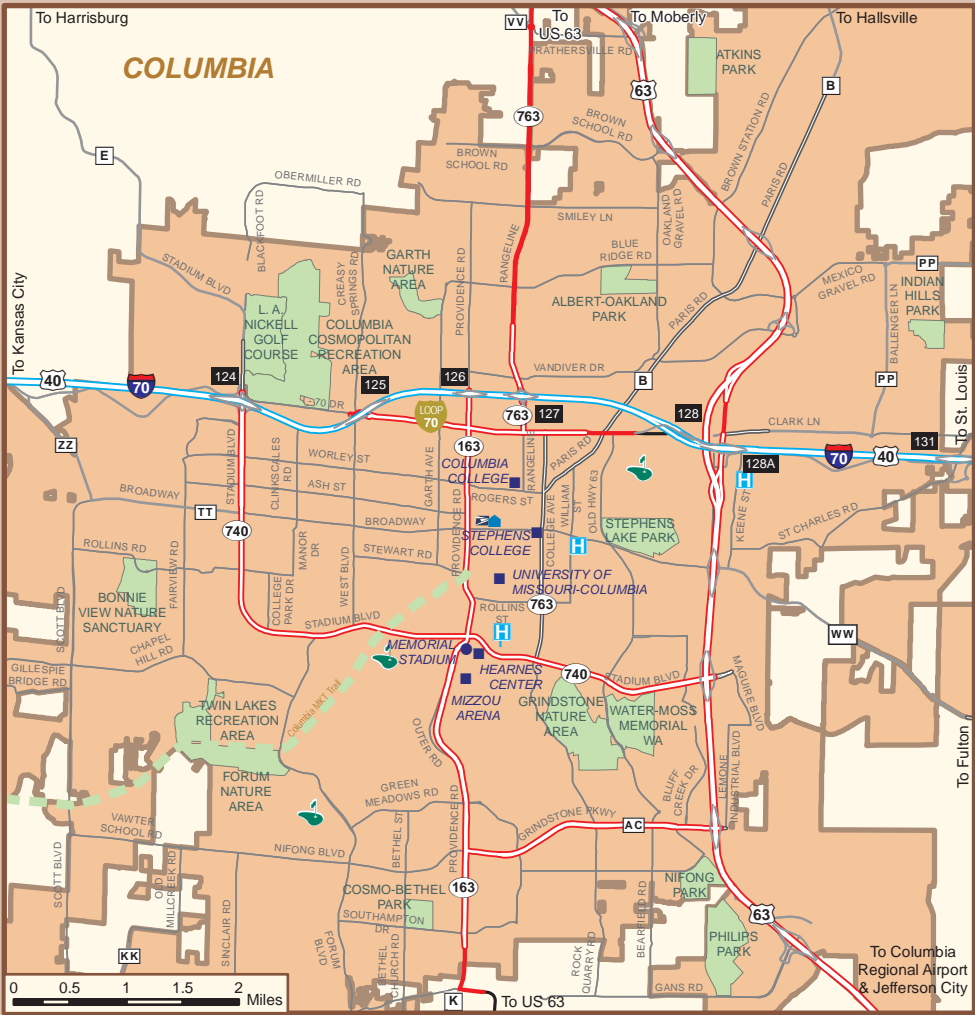

Sincerely,
Michael L. Parsons
